

## Section III Appendix

### 2017 Virtual Learning Legislation Summary

	Bills	Enacted	Failed	Pending	Bills
AR	4	4	0	0	<p>AR S 341 (enacted): Amends the law concerning appointments to specified boards, commissions, committees, and other administrative bodies. Eliminates previous Distance Learning Coordinating Council created as an advisory body to the Department of Education.</p> <p>AR H 1646 (enacted): A highly qualified teacher who delivers digital learning courses under this subchapter is not required to be licensed as a teacher or administrator by the state board.</p> <p>AR H 1627 (enacted): Concerning distance learning programs, is amended to require that a student agrees to physically attend the public school or open-enrollment public charter school for the purposes of taking a distance learning course taught through the public school or open-enrollment public charter school; and) State tests and assessments required for the particular course or courses taken by the student;</p> <p>AR S 506 (enacted): Amends provisions of the Arkansas code concerning the creation of a "Task Force on Quality Digital Learning Providers."</p>
AZ	2	1	1	0	<p>AZ H 2077 (failed): Ensures academic integrity of pupils who participate in online instruction and allows a school district to challenge student examinations if not properly proctored by online school or online provider.</p> <p>AZ S 1314 (enacted): Relates to schools; and student data privacy and prohibits an operator from engaging in targeted advertising on the operator's site, service or application or on any other site, service or application.</p>
CA	3	0	3	0	<p>CA SB 806 (failed): The bill would prohibit a charter school from operating as, or being operated by, a for-profit entity, as specified.</p> <p>CA A 318 (failed): Prohibits a school district, county office of education, or charter school from being eligible to receive apportionments for independent study by pupils unless it has adopted and implemented written policies that include a statement requiring a teacher to make visual contact with a pupil in person or by a live visual connection, no less than once per week, to assess whether the pupil is making satisfactory educational progress.</p> <p>CA A 1528 (failed): Extends until January 1, 2018, authorizers of a virtual or online charter school to claim independent study average daily attendance for a pupil who is enrolled in the school and moves to a residence located outside of the geographic boundaries of the virtual or online charter school for the duration of the virtual or online charter school course in which the pupil is enrolled or until the end of the school year, whichever occurs first.</p>
CO	1	0	1	0	<p>CO S 70 (failed): The bill revises the certification of Authorizers Of Multi-</p>

					district Online Schools. The bill also requires the department of education to: 1. Study the issue of student mobility into and out of online schools and report to the state board and the general assembly; and 2. Collect data concerning the operations of authorizers and multi-district online schools, identify and disseminate information concerning best practices, and make the data available for research in the field of online education.
CT	1	0	1	0	CT H 6794 (failed): Permits a local or regional board of education to create an online school to facilitate the delivery of education to students from across the state through the use of existing and future technologies to meet established educational practices and guidelines.
FL	7	1	6	0	<p>FL S 656 (failed): Requires specialized training in clinical supervision and clinical educator training must include content-specific strategies for integrating media and emerging technologies.</p> <p>FL S 692 (failed): Authorizes all students, including home education and private school students, to participate in specified virtual instruction options.</p> <p>FL H 5101 (failed): The Commissioner of Education shall oversee the development and implementation of the 5-year strategic plan for establishing a Florida digital classrooms to assist school districts in their efforts to integrate technology in classroom teaching and learning to improve student performance.</p> <p>FL H 479 (failed): The Florida Virtual School shall have an annual financial audit of its accounts and records conducted by an independent auditor who is a certified public accountant licensed under chapter 473.</p> <p>FL S 868 (failed): Concerns the expansion of student eligibility for virtual instruction, where a student may enroll in a full time or part-time virtual instruction program in kindergarten through grade 12 which is provided by a school district or by a virtual charter school operated in the district in which he or she resides if the student meets specific eligibility requirements.</p> <p>FL S 376 (failed): A charter school is not eligible for shared capital outlay funding allocation if it was created by the conversion of a public school and operates in facilities provided by the charter school's sponsor for a nominal fee, or at no charge; if it is directly or indirectly operated by the school district ; or if it is a virtual charter school.</p> <p>FL H 7069 (enacted): Concerns funding for virtual charter schools. A charter school sponsor may withhold an administrative fee of up to 5 percent for enrollment of up to and including 250 students in a virtual charter school. Also, a charter school sponsor may withhold an administrative fee of up to 5 percent for enrollment of up to and including 250 students in a virtual charter school.</p>

GA	1	0	1	0	GA H 170 (failed): Relates to student records, so as to enact the Student Online Personal Information Protection Act.
ID	1	1	0	0	ID H 279 (enacted): Revises requirements for the process of starting or converting a new virtual charter school, including comprehensive accountability requirements linked to governance, teaching and learning mechanisms, teacher development, teacher-student interaction, and verification of student attendance.
IN	2	2	0	0	IN H 1382 (enacted): Defines a virtual charter school and requires that virtual charter schools adopt a student engagement policy. A student who regularly fails to participate in courses may be withdrawn from enrollment under policies adopted by the virtual charter school.  IN H 1001 (enacted): Concerns annual reporting to the Department of Education from virtual charter schools. Requires reporting of class size; ratio of teachers per classroom; number of student-teacher meetings conducted in-person or by videoconference.
IL	1	1	0	0	IL S 1796 (enacted): Creates the Student Online Personal Protection Act.
KS	1	1	0	0	KS S 19 (enacted): Concerns the definition of full-time virtual students. "Full-time" means attendance in a virtual school for no less than six hours. Reduces virtual school state aid from \$4,045 per-pupil to \$1,700.
KY	1	0	1	0	KY H 523 (failed): Establishes the Digital Learning and Workforce Development Pilot Project, to identify the program's purposes, program and governance requirements and student eligibility. Allows a maximum number of two virtual school programs to be authorized per academic year.
LA	1	1	0	0	LA H 94 (enacted): Requests the State Board of Elementary and Secondary Education to establish a process and promulgate rules for all online course content for pre-kindergarten through twelfth grade and all online courses offered to students for initial credit or core academic credit recovery offerings and certain other online courses.
MI	2	1	0	1	MI H 4313 (enacted): Provides for a school of excellence that is a cyber school, as defined, and a pupil's participation in the cyber school's educational program is considered regular daily attendance; provides for a district or public school academy, a pupil's participation in a virtual course as defined is considered regular daily attendance.  MI S 217 (pending): Provides omnibus appropriations or school aid. Reduces funding for certain cyber schools by 20%.
MN	3	0	3	0	MN H 307 (failed): Relates to educational data; protects online student data and establishing student digital privacy rights.  MN S 1171 (failed): Relates to technical changes for charter schools, and the role of education management providers in school governance.  MN S 1554 (failed): Modifies the duties and expiration of the Online and Digital Learning Advisory Council; requires council to study and make recommendations on development and support of effective online teaching using high quality digital curriculum.

MO	2	0	2	0	<p>MO S 23 (failed): Relates to development of the "School Transfer and Improvement Task Force", which is charged with studying means to address failing schools, including best practices for how to design and finance public virtual.</p> <p>MO S 360 (failed): Modifies provisions relating to virtual public schools. Limits district authorization to any accredited school district or charter school with an annual performance report score of seventy percent or greater or a charter school which is granted a waiver by the department of elementary and secondary education is authorized to host a virtual public school of choice. Also related to virtual student funding allocations.</p>
MS	3	0	3	0	<p>MS H 216 (failed): Requires the State Department of Education to establish a program to be known as a better chance or the ABC program for the purpose of providing prekindergarten instruction throughout the state via the internet.</p> <p>MS H 231 (failed): Creates the Digital Access Learning and Virtual Instruction Program Act of 2017 which will develop and expand digital access and learning opportunities to all students.</p> <p>MS H 580 (failed): Provides for the creation of the State Virtual Public School Program.</p>
NY	2	0	0	2	<p>NY A 2265 (pending): Directs the commissioner of education to establish an online learning committee to make recommendations for establishment of a statewide online and blended learning program.</p> <p>NY S 3657 (pending): Relates to the New York State Online Privacy Act. Establishes the Office of State Online Privacy Protection and Internet Safety, and the New York State Online Accounts and Social Media Privacy Act.</p>
NC	3	1	2	0	<p>NC S 291 (failed): Appropriates funds to provide equal access for both public and nonpublic state school students to state virtual public school courses. Extends access to homeschool students.</p> <p>NC H 898 (failed): Provides for additional goals for the implementation of the digital learning plan to support public schools; directs that certain funds be used for this purpose, including the development and implementation of a comprehensive professional development strategy and solution for teachers and for students in UNC educator preparation programs for the use of technology and digital resources as teaching tools for K-12 students.</p> <p>NC S 599 (enacted): Establishes the Professional Educator Preparation and Standards Commission; authorizes the expansion of educator preparation programs; creates a system that holds all programs accountable; reorganizes and clarifies the educator licensure process and requires demonstration of competencies in using digital and other instructional technologies to provide high-quality, integrated digital teaching and learning to all students.</p>
NE	2	1	1	0	<p>NE L 634 (failed): Includes virtual school students in the state aid to</p>

					<p>schools formula. Defines fulltime virtual enrollment. Requires a virtual student to demonstrate subject matter competence for each course or subject in which the student is enrolled as part of the virtual school.</p> <p>NE L 512 (enacted): Relates to the Student Online Personal Protection Act specific to protections of personally identifiable information.</p>
NH	2	1	1	0	<p>NH H 396 (failed): Relates to Student Assessment Data Privacy. Restricts the collection, storage, and sharing of student assessment data by the United States Department of Education and the New Hampshire Department of Education.</p> <p>NH H 517 (enacted): Provides an increase of \$1200 in per-pupil funding for all chartered public school, except for the Virtual Learning Academy Charter School, which is not increased.</p>
NJ	1	0	1	0	NJ A 1272 (failed): Establishes the Student Online Personal Protection Act.
NM	2	0	2	0	<p>NM H 454 (failed): Provides conditions for chartering as a virtual charter school; changes the definition of school to recognize virtual charter schools; provides that students enrolled in a virtual charter school in kindergarten through grade five shall receive only synchronous instruction; a statewide virtual charter school shall not be authorized as a locally chartered charter school; provides for automatic closure for lack of academic growth; reduces funding of some categorical funds by 25%.</p> <p>NM S 305 (failed): Relates to virtual charter schools and amends the public school code to provide a reduced state equalization guarantee amount for virtual charter schools, amounting to only 75% of state equalization aid.</p>
NV	1	1	0	0	NV S 467 (enacted): Creates the Nevada Ready 21 Technology Program; establishes requirements for participation in the Program and provides for high-quality professional development for teachers to improve pupil outcomes through the use of digital teaching and learning technology.
OH	2	1	0	1	<p>OH H 102 (pending): Relates to locally levied school district property taxes. If a student is enrolled in an internet- or computer-based community school, the department shall pay to the school an amount equal to the amount calculated for the student under division (C)(1) of this section minus thirty per cent of the amount calculated for the student under division (A)(1) of section 3317.022 of the Revised Code.</p> <p>OH H 49 (enacted): Relates to dividing internet- or computer-based community school by governing authority for school. Beginning with the 2018-2019 school year, the governing authority of a community school to which this section applies may adopt a resolution to divide the school into two or three separate schools. No school shall primarily serve students enrolled in a dropout prevention and recovery program operated by the school.</p>
OK	7	3	4	0	OK H 1503 (failed): Requires statewide virtual charter school to report certain graduation rate to Statewide Virtual Charter School Board and to include certain plans; requires Board to publish reports on its website; permits Board to deny application for statewide virtual charter school if plan to improve graduation rates is not complied with for certain number

					<p>of years.</p> <p>OK S 101 (failed): Relates to virtual charter school funding and modifies the calculation of state aid for full-time virtual charter schools by 25%.</p> <p>OK S 611 (failed): Allows students enrolled in a charter school or virtual charter school to participate in extracurricular activities offered at the student's resident school district; provides for determination of eligibility.</p> <p>OK S 639 (failed): Relates to virtual charter schools; directs the governing body of a virtual charter school to notify the parent or legal guardian if a student does not respond to certain assignment or directive within certain time frame.</p> <p>OK H 1576 (enacted): Relate to professional development procedures for teachers, requiring procedures to include digital teaching and learning standards. The Oklahoma Commission for Teacher Preparation shall adopt rules requiring coursework or training in the use of digital and other instructional technologies as a requisite for program accreditation.</p> <p>OK H 1693 (enacted): Relates to metrics, accountability and multimeasures. The State Board of Education may adopt alternate systems of accountability for statewide virtual charter schools, alternative education programs.</p> <p>OK S 244 (enacted): Relates to virtual charter schools; directs virtual charter schools to keep attendance records for enrolled students; requires a virtual charter school to submit a report upon a student accumulating a certain number of absences; provides for content of the report.</p>
OR	4	0	4	0	<p>OR S 209 (failed): Removes sunset on provision that virtual public charter schools may contract with for-profit entity to provide educational services if employee is administrator and meets other requirements.</p> <p>OR S 536 (failed): Provides that school district may not deny participation in interscholastic activities by student who attends public charter school or virtual public charter school; specifies requirements that student must meet to participate in interscholastic activities.</p> <p>OR S 915 (failed): Modifies percentage of amounts school districts must pay from State School Fund to public charter schools that are not virtual public charter schools; a virtual public charter school is not entitled to receive a portion of local revenues, as described in ORS 327.011, but a school district may choose to distribute a portion of local revenues to the virtual public charter school.</p> <p>OR H 2720 (failed): Directs Department of Education to conduct a study related to certain virtual public charter schools.</p>
PA	10	0	10	0	<p>PA H 184 (failed): Provides for full-time cyber education program offered by school district. If the student chooses to enroll in a cyber charter school, the student or the student's parent or guardian shall be responsible to pay the cyber charter school a per-student amount calculated in the</p>

				<p>manner set forth in section 1725-A(a)(2) and (3). Such payments shall be made to the cyber charter school.</p> <p>PA H 327 (failed): Relates to pupils and attendance; further provides for procedure when child is truant; relates to charter schools and cyber charter schools; provides for attendance and enforcement.</p> <p>PA H 351 (failed): Relates to school finances; provides for limitations on certain unreserved fund balances. A charter or cyber charter school entity may not receive payment from a school district entity unless it has adopted a budget that includes an estimated unreserved, undesignated fund balance of less than five per centum (5%) of the total budgeted expenditures.</p> <p>PA H 935 (failed): Relates to funding for charter schools. If the student's school district or intermediate unit operates a cyber charter school and the student attends another cyber charter school, neither the Commonwealth nor the school district shall be required to provide funding under this section. The student may be charged tuition by the cyber charter school under section 2561.</p> <p>PA H 1206 (failed): Relates to funding for charter schools. In addition to clause (2), if the school district or intermediate unit of a student offers a cyber charter school and the student enrolls in a cyber charter school not affiliated with the school district or intermediate unit, the expenditure to the nonaffiliated cyber charter school for the student under clause (2) shall be limited to the highest amount a cyber charter school affiliated with the school district or intermediate unit, if any, would have received for the student.</p> <p>PA S 670 (failed): Relates to charter and cyber charter accountability and governance; Budget and Finance Committee shall conduct a study of all aspects of the funding, operation and performance of all cyber charter schools in this Commonwealth; A moratorium is established on the formation and approval of new cyber charter schools and the expansion of existing cyber charter schools in order to provide the General Assembly with sufficient time to review the completed study; No public official nor public employee shall serve on the board of trustees of a charter school; No administrator of a charter school nor family member of the administrator is permitted to serve as a member of the board of trustees of the charter school where the administrator is employed; No member of a board of trustees of a charter school shall receive any payment.</p> <p>PA H 1345 (failed): Relates to the student data privacy and protection. Imposes duties on the Department of Education to protect student data privacy.</p> <p>PA S 766 (failed): Amends the Public School Code, in charter schools; establishes the Task Force on Cyber Charter Student Achievement within the Department of Education; provides for cyber charter school</p>
--	--	--	--	---

					<p>requirements and prohibitions and for enrollment and notification.</p> <p>PA S 806 (failed): Establishes the Charter School Funding Advisory Commission to assess the actual cost of educating a child in a charter school, a regional charter school, a cyber charter school and a school district or intermediate unit utilizing cyber classes.</p> <p>PA H 97 (failed): Relates to for responsibilities of school entities, administrators and school board members in charter schools specific to conflicts of interest, extensively revising and adding charter school provisions; establishes the charter school funding advisory commission.</p>
TX	5	3	2	0	<p>TX S 1482 (failed): Relates to the creation of The Next Generation Commission on Digital Learning committee to recommend a framework to incorporate digital teaching and learning in public schools.</p> <p>TX S 610 (failed): Relating to a study on expanding the state virtual school network. The agency, using existing resources, shall conduct a study regarding the feasibility of offering a full-time electronic course program for a grade levels K-3.</p> <p>TX H 2087 (enacted): Relates to student data privacy. Restricting the use of covered information, including student personally identifiable information, by an operator of a website, online service, online application, or mobile application for a school purpose.</p> <p>TX S 1839 (enacted): Relates to the preparation, certification, and classification of public school educators, and requires that certification training include instruction in digital learning.</p> <p>TX H 2442 (enacted): Relates to calculating the average daily attendance for certain education programs, including blended learning programs in which classroom instruction is supplemented with applied workforce learning opportunities.</p>
UT	2	1	1	0	<p>UT H 87 (failed): This bill amends provisions of the Statewide Online Education Program Act amends provisions authorizing an eligible student to enroll in an online course; removes a limitation on the number of online credits an eligible student may enroll in; requires a primary LEA of enrollment to provide physical space and technology for an eligible student to access an online course under certain conditions.</p> <p>UT S 102 (enacted): Relates to Utah Student Privacy Act. Enacts provisions regarding access to education records. Provides that a local school board or charter school governing board require a public school to make a list of individuals who are authorized to access education records.</p>
VA	3	1	2	0	<p>VA H 1923 (failed): Relates to Virtual Virginia; relates to availability. Requires that the Virtual Virginia program, established by the Department of Education, be made available to all public middle and high schools; provides that such program may be made available to all public elementary schools.</p> <p>VA S 1380 (failed): Relates to regional school boards; relates to full-time</p>

					<p>virtual school programs; requires the establishment of eight regional school boards composed of one member of each local school board that governs each local school division in each of the eight superintendent's regions in the Commonwealth and requires each such regional school board to enter into a contract with at least one approved multidivision online provider.</p> <p>VA S 951 (enacted): Relates to Student Personal Information Access. Requires school service providers to provide each student or his parent with access to a downloadable electronic copy of any student personal information pertaining to such student that has been collected, maintained, used, or shared by the school service provider.</p>
WV	2	1	1	0	<p>WV H 2199 (failed): Relating to creating a digital learning pilot project; establishing a purpose; establishing goals; establishing objectives; establishing key components of the pilot project; establishing qualifications; and establishing a deadline.</p> <p>WV S 630 (enacted): Allows a county board or a multicounty consortium to create a virtual instruction program for one or more schools serving any composition of grades K-12 by adopting a policy creating the program and allowing the county board or multicounty consortium after adopting the policy to contract with virtual school providers.</p>
WI	1	0	1	0	<p>WI S 30 (failed): Relates to eliminating the requirement that a virtual charter school ensure that its teachers are available to provide a minimum number of hours of direct pupil instruction and prohibits the governing body of a virtual charter school from allowing a pupil to start attending the virtual charter school during a semester in which the pupil has had four or more unexcused absences from school.</p>
WY	1	1	0	0	<p>WY S 35 (enacted): Relates to virtual education provided by public K-12 schools; modifying definitions; modifying requirements for the delivery of virtual education; making conforming amendments; establishing an advisory committee; providing rulemaking authority; requiring a report; and providing for an effective date.</p>

## Section III Appendix

### 2018 Virtual Learning Legislation Summary

	Bills	Enacted	Failed	Pending	Bills
CA	2	1	1	0	<p>CA A 406 (enacted): This bill, on and after July 1, 2019, would prohibit a petitioner that submits a charter petition for the establishment of a charter school or a charter school that submits a charter renewal or material revision application from operating as, or being operated by, as defined, a for-profit corporation, a for-profit educational management organization, or a for-profit charter management organization.</p> <p>CA A 2011 (failed): Exempts a charter school facility from the geographical restrictions that would otherwise apply if all of the pupils attending the charter school attend through nonclassroom-based instruction and the facility is used for purposes of fulfilling state educational mandates.</p>
CO	1	0	1	0	<p>CO H 1232 (failed): Reduces funding for online students district online funding. The Department of Education shall calculate each district's online funding as an amount equal to (statewide base per pupil funding x .95) x district online pupil enrollment.</p>
CT	2	1	1	0	<p>CT H 5337 (failed): Concerns a study of virtual classrooms,. The Department of Education shall, within available appropriations, conduct a feasibility study on the use and expansion of virtual learning and distance learning.</p> <p>CT H 5444 (enacted): Concerns revisions to the Student Data Privacy Act; creates a uniform student data privacy terms-of-service agreement addendum for use in contracts, to require a one-time annual notice relating to contracts entered into by the Board of Education.</p>
GA	1	1	0	0	<p>GA H 787 (enacted): Concerns the new requirement that the Department of Audits and Accounts shall develop an annual report on state chartered special schools that offer virtual instruction. Also reduces eligibility to receive capital revenue per full-time equivalent portion of funding, to 25% of state wide average.</p>
HI	1	0	1	0	<p>HI H 2173 (failed): Prohibits employers and educational institutions from requiring employees, students, and prospective employees and students to provide protected personal online account information; authorizes private civil actions against violators.</p>
IA	2	2	0	0	<p>IA H 2354 (enacted): Relates to student personal information protection; relates to personally identifiable information or material, or information that is linked to personally identifiable information or material, in any media or format that is not publicly available and is created by or provided to an operator by a student, or the student's parent or legal guardian.</p> <p>IA S 2131 (enacted): Expands the Iowa Learning Online Initiative to</p>

					include students receiving independent private instruction, competent private instruction, or private instruction.
IN	2	2	0	0	<p>IN H 1001 (enacted): Defines a virtual charter school and requires each school corporation operating a virtual education program to submit annual reports on ADM counts and the amount and percentage of virtual program instructional time compared to total instructional time to be spent by students.</p> <p>IN H 1420 (enacted): Relates to education virtual school enrollment. Provides that a student who is withdrawn from enrollment from a virtual charter school may not reenroll in that same virtual charter school for the school year in which the student is withdrawn.</p>
KS	1	1	0	0	<p>KS S 423 (enacted): Concerns a study of statewide virtual school programs administered in other states.</p>
LA	2	1	1	0	<p>LA S 95 (failed): Relates to the definition of virtual charter school student membership and provides for a reduction of virtual charter school funding. The per pupil amount provided to a virtual charter school shall be computed annually and shall be equal to seventy percent of the per pupil allocation as provided in R.S. 17:3995(A).</p> <p>LA S 562 (enacted): Relates to the definition of virtual charter school student membership. A school that delivers all or a majority of the instruction provided through the internet or other electronic medium and requires students to be in daily attendance at a specified location to receive such instruction shall not be considered a virtual school.</p>
MI	4	0	0	4	<p>MI H 5384 (pending): Modifies per-pupil allocation for cyber schools and earmarks into at-risk funding. Reduces funding for certain cyber schools by 20%.</p> <p>MI H 6222 (pending): Expands online learning report data to include cyber schools. The cyber school shall report the costs on a per-pupil, per-course, per-semester or trimester basis.</p> <p>MI H 6324 (pending): Defines the role of the Michigan Virtual Learning Institute to support and accelerate innovation in education and provide leadership for this state's system of virtual learning education.</p> <p>MI H 6332 (pending): Requires monthly school board meetings for all public schools, and requires cyber schools to broadcast the meetings on school's website free of charge.</p>
Mo	3	1	2	0	<p>MO S 668 (failed): Relates to virtual school transparency. Requires detailed reporting of virtual student enrollment, costs to educate a virtual student, and vendors contracted to deliver virtual programs.</p>

					<p>MO H 2399 (failed): Revises student data privacy regulations.</p> <p>MO S 603 (enacted): Directs the State Board of Education to establish the State Course Access and Virtual School Program. The department shall submit and publicly publish annual report on the Missouri course access and virtual school program and the participation of entities to the governor, the chair and ranking member of the senate education committee, and the chair and ranking member of the house of representatives elementary and secondary education committee.</p>
MS	2	1	1	0	<p>MS S 2622 (failed): Directs the State Department of Education to revise its accountability process standards relating to licensed school district staff and student teacher ratios in gifted classes. The total number of students taught by an individual teacher in academic core subjects at any time during the school year shall not exceed one hundred fifty (150). A teacher who provides instruction through intradistrict or interdistrict distance learning will be exempt from the limitation.</p> <p>MS S 2763 (enacted): Provides that the provider of services under the State virtual public school program shall be chosen by the district using a list of vendors approved through the State online course application process. States that once the State Department of Education appropriation and the local school district budgeted funds for Mississippi Virtual Public School have been expended and students choose to enroll in online courses, the costs of the online courses may be the responsibility of the students' guardian.</p>
NV	1	0	0	1	<p>NV A 64 (pending): This bill creates formulas for the calculation of the apportionment to charter schools for pupils who are enrolled full-time in a program of distance education, depending on how many pupils are enrolled in the county school district in which the charter school is located.</p>
NJ	1	0	0	1	<p>NJ A 2250 (pending): Authorizes the commissioner to adjust the amount of funds that a school district is required by law to pay to a charter school, if that charter school focuses on on-line learning as the primary component of its educational model. The commissioner shall have the authority to appropriately adjust this amount to lower than 90% of the sum of the budget year equalization aid per pupil and the pre budget year general fund tax levy per pupil inflated by the CPI rate most recent to the calculation.</p>
NM	2	0	2	0	<p>NM SM 26 (failed): Requests the Education Study Committee to establish a Virtual Charter School Work Group.</p> <p>NM H 180 (failed): Relates to public schools; requires implementation of a cost saving, real time advanced data collection system to reduce administrative costs for school districts and charter schools; establishes minimum classroom expenditure goals for school districts, charter schools and virtual charter schools.</p>

NC	1	1	0	0	NC S 99 (enacted): An act to extend the Virtual Charter School Pilot Program for four more school years, until 2022-2023, as recommended by the Joint Legislative Education Oversight Committee.
OH	2	2	0	0	OH H 87 (enacted): Clarifies the responsibilities of a treasurer regarding certain documents; requires the Board to adopt standards for learning management software for internet-and computer-based community schools. The superintendent of public instruction shall establish by rule adopted in accordance with Chapter 119. of the Revised Code standards for learning management software to be used by internet-and computer-based community schools.  OH S 216 (enacted): Relates to the Ohio Public School Deregulation Act. With regard to the use of the department's manual for determining full time equivalency for student enrollment in an internet- or computer-based community school to determine student attendance and engagement, the superintendent of public instruction shall recommend to the joint education oversight committee definitions to determine student attendance and engagement.
OK	3	0	3	0	OK H 3049 (failed): Relates to virtual charter schools; relates to the Powers and duties of the Statewide Virtual Charter School Board; requires state and local funds received by certain virtual charter schools to be kept in a separate account; prohibits comingling with funds from another state; proscribes use of funds to operate schools in another state; provides an effective date.  OK S 1291 (failed): Relates to virtual charter schools; creates a task force to study and make recommendations on virtual charter school operations.  OK S 1263 (failed): Relates to the Oklahoma Open Meeting Act; relates to videoconferences; modifies requirements for a quorum for certain virtual charter schools.
PA	1	0	1	0	PA H2514 (failed): Relates to amending, revising, consolidating and changing the laws of charter schools, providing for a Cyber Charter Accountability Commission.
UT	2	2	0	0	UT H 11 (enacted): Relates to Public Education Code relating to public education system funding. The State Board of Education shall establish a digital teaching and learning task force to develop a funding proposal to present to the Legislature for digital teaching and learning.  UT S 173 (enacted): Amends State Charter School Board membership provisions; must include members with expertise in personalized learning, including digital teaching and learning or deliberate practice.
VA	4	0	4	0	VA H 740 (failed): Relates to Department of Education; relates to task force; relates to cyber centers of excellence; requires the Department of Education to establish and appoint members to a task force for the purpose of establishing a program and standards for the designation of any public

					<p>middle school or high school in the Commonwealth as a cyber center of excellence.</p> <p>VA H 831 (failed): Relates to Virtual Virginia; relates to availability; requires the Virtual Virginia program, established by the Department of Education, to be made available to all public middle and high schools; provides that such program may be made available to all public elementary schools; provides that under current law, Virtual Virginia is required to be made available to public high schools only; replaces the term statewide electronic classroom with online learning program.</p> <p>VA H 1579 (failed): Relates to public schools: online courses and virtual programs; provides that no student shall be charged tuition or fees for enrolling in any online course or virtual program that is required or is offered by the school division in which he resides; the bill provides that no local school board can offer and no student can be required to take any online course or virtual program unless every student enrolled in the course is provided or offered, free of charge, a computer or other electronic device.</p> <p>VA H 1504 (failed): Relates to Virtual Virginia; relates to enrollment; requires enrollment in the Virtual Virginia online learning program during the school year to be open, on a space-available basis and free of charge, to each public high school student in the Commonwealth and each high school student in the Commonwealth who receives home instruction.</p>
WV	1	0	1	0	WV S 304 (failed): Relates to authorization and establishment of charter schools. Stipulates that a public charter school shall not be a virtual public charter school: provided, that the public charter school may offer online courses and allow virtual opportunities as part of its specialized program as set forth in its charter application and charter contract.
WI	1	1	0	0	WI A 64 (enacted): Relates to the Virtual Charter School Funding Study. The department of public instruction shall, no later than January 1, 2019, prepare a report that compares the amount spent by the state for each pupil attending a virtual charter school. Relates to teacher certification for online courses at a virtual charter school. The governing body of a virtual charter school shall assign an appropriately licensed teacher for each online course offered by the virtual charter school.
